***Please note: This is only a sample from our menu.***

***Here at Quayside Restaurant it is our policy:***

- . To only use seafood species that is not regarded as threatened or endangered.*
- . To only use seafood caught from a well managed fishery with scientifically based quota.*
- . To only use seafood from a source where responsible fishing methods are used.*
- . To communicate the traceability of our seafood to our customers.*

***This is achieved in most part by only using products from boats which are part of a Responsible Fishing Scheme.***
